Motion For an Attorney

Please accept my motion for a public Federal defender.

I am poor I do not have any money for an attorney to persue my case.

I am in serious pain and suffering from my head to my stomach.

I am suffering from a number of problems such as high blood pressure, high pulse rates, pain in my chest and nervousness from the violations of the illegal wiring in my body.

This issue is extremely serious. I don't understand why I was not given an attorney immediately when I filed my case.

please grant me an attorney to assist me. I
 want to get a full exam including MRI's, X-rays
 and ultrasound what ever is necessary. My Social
 Worker says there's no way of finding the wires. I need this.
 Is what she ^{said} ~~says~~ true?

Sincerely yours
 Mrs. SHERRA Adams
